Mrs. Mowrer Dies; Lifetime Resident

Family of Former Susan Thomas Once Owned Much of Narberth

Funeral services were held Wednesday afternoon for Mrs. John A. Mowrer, who died early Sunday morning after a heart attack at her home, 714 Montgomery Ave., Narberth. She was 74 and would have celebrated her 75th birthday on March 5.

The services were conducted at her late residence by the Rev. A. E. Clatsburg, retired Episcopal minister and former rector of St. John's Episcopal Church, Bala Cynwyd, where Mrs. Mowrer was a lifetime member. Interment was in West Laurel Hill Cemetery.

It was at St. John's that Mr. and Mrs. Mowrer were married on November 11, 1891, by the Rev. C. C. Parker, then rector. The couple celebrated their Golden Wedding anniversary in 1941 with an informal dinner at home surrounded by many relatives and friends.

Both Mrs. Mowrer, the former Susan Kilpatrick Thomas, and her husband were born in the immediate neighborhood of Narberth and both lived here all of their lives.

What is now called the Anthwyn Road residential section was once the large farm belonging to Mrs. Mowrer's father, the tract extending from the south side of Haverford Ave. to what is now Merion Ave. and stretching over to Rockland Ave. In addition the Thomases owned much of what is now Narberth's south side, disposing of their holdings from time to time and finally selling 100 acres left in the Anthwyn section to developers.

Eliminate Four School Bus Trips

Fuel Oil Consumption Kept Within Allotted Percentages

During November four bus trips from the senior and junior high schools in Lower Merion were eliminated to save wear on tires and gasoline consumption.

This was announced at a meeting of the Lower Merion School Board Monday night.

Superintendent of Schools Frank A. Dubois also reported that one bus trip to the Wynnewood School had been eliminated by convening the school 20 minutes earlier and closing the school 20 minutes earlier.

The Superintendent said that bus drivers had been provided with copies of the pamphlet entitled "School Transportation in War Time. Every 1000 miles they are required to make thorough inspections of their buses. Superintendent Dubois said a blanket certificate of necessity had been received from the office of Defense Transportation.

"This covers the mileage for all of our rolling equipment. The amount of mileage allowed appears to be satisfactory," he said.

The Superintendent also reported that the "outlook in the fuel oil situation does not seem to be too gloomy." A study of the fuel oil consumption shows that during October and November the school district did not exceed the 22.6 percent allocation of fuel oil.

Grid and Diamond Stars to Be Guests of Overbrook Men's Club

Chief Bender, Connie Mack and a number of baseball and football stars will be the guests of the Men's Association of the Overbrook Presbyterian Church at its Father and Son meeting on Monday December 14, at 8 p.m.

A musical program is being arranged by the chairman of the entertainment committee, William H. Knatz of 69th Street, who promises also a baseball motion picture entitled "The Big Inning."

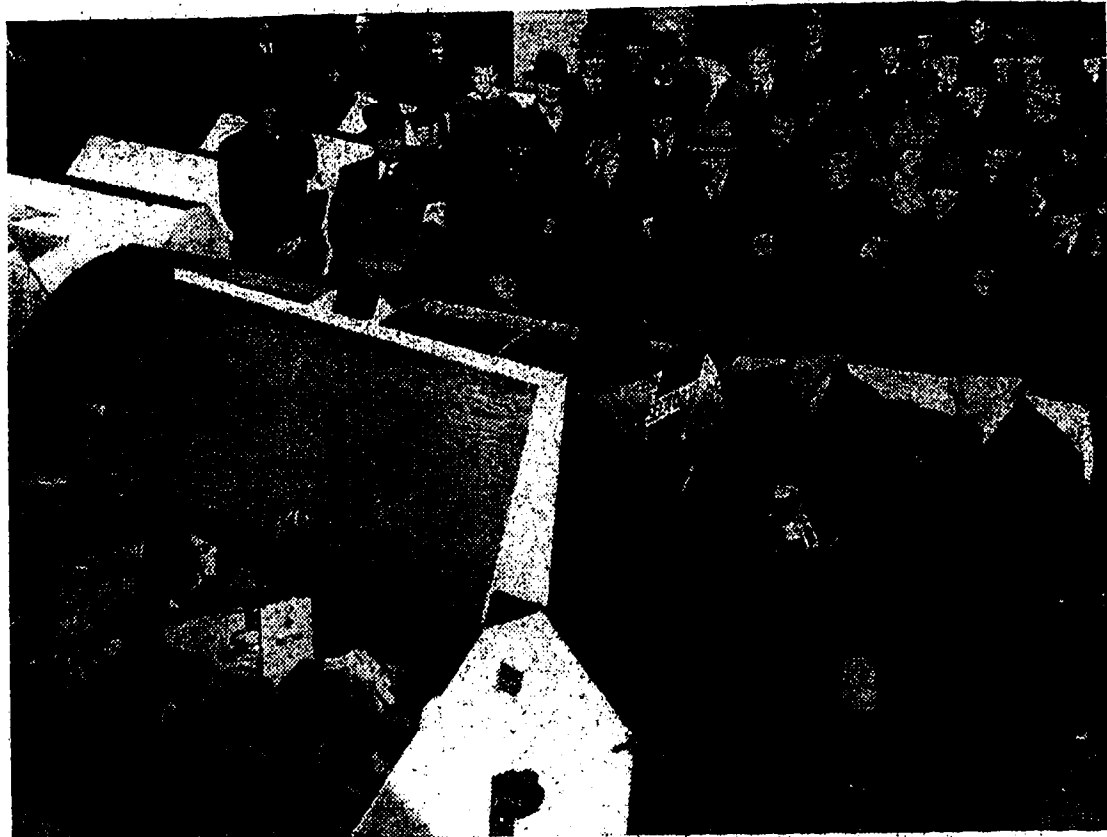

William W. Tomlinson, of Wynnewood, is president and extends a cordial invitation to all men of the community and their sons to attend the meeting.

Emergency Relief Collection Starts

The Narberth Fire Company assisted by John Fox's group of Boy Scouts started to collect for the Narberth Volunteer Emergency Relief Monday night.

Donations of toys, food, clothing and money will be accepted. The regular Christmas baskets will be distributed where they are needed. Anyone who is not reached may call Mrs. Eberhardt Mueller or Mrs. John Wetzel about his contribution.

Narberth Gets Emergency Equipment Trucks

At ceremonies attended by 200 people Sunday afternoon, ten mobile units were presented to the air raid wardens of Narberth by Burgess Richard L. Miller. The units are mounted on wheels and contain air raid emergency equipment. Each sector of the borough will have one.

In the foreground of the picture above, Burns F. Best, chairman of the Narberth Civilian Defense Council, and Chief Air Raid Warden Joseph L. Kelley are inspecting a lantern from one of the units following the presentation by Burgess Miller at the far right.

Club Representatives To Study Community Problems

The women's clubs of Montgomery County have the first opportunity in the state to participate in an institute for training community workers which has been prepared by The Pennsylvania State College Extension Services.

The County Federation of Women's Clubs, at a meeting of the executive board Monday endorsed the plan after hearing explanations by Miss Rose Cologne, specialist in community adult education of the college, and H. A. Myers, Penn State Philadelphia district representative.

Virtually all presidents of the county clubs were represented. They will present the idea to their clubs, whose members will select their own representatives. Eight bi-monthly sessions of three hours each will start February 1 under Miss Cologne.

Assessment Board Sets Appeal Dates

The schedule of dates on which property owners of the various townships and boroughs of the County may appeal the triennial assessment on real estate for the years 1943, 1944 and 1945 has been announced by the Montgomery County Board for the Assessment and Revision of Taxes.

Hearings on appeals will be held by the Board of Assessment at its office in the Court House from 9 a.m. to 3 p.m.

Members of the Board are J. Norman Zandt, Souderton, chairman; Samuel M. Wilson, Abington, and W. Ivan Simpson, Lower Merion. George H. Weidner, Springfield, is chief clerk.

The appeal date for Narberth Borough is December 21, 1942, and for Lower Merion Township January 25, 26 and 27.

I. C. M. C. to Meet

The I. C. M. C. will meet December 16 at 1:30 p. m. in St. Paul's Lutheran Church, Ardmore, to hear the Rev. Earl S. Rudisill, D. D., field director of "Parish School" of the Lutheran Board, speak on "Christian Family Problems in War Time."

First Word Comes of Arrival Of Overseas Christmas Boxes

Word came to Narberth this week that at least two of the Christmas boxes contained in the out-of-country consignment which left October 30, 1942, had reached their destinations.

This means that it probably won't be long before most of the far-away contingent will be heard from, as a good delivery record is being reported by the authorities on the thousands of packages which went seaward around the first of November.

In the case of the two local acknowledgements, a high note of appreciation was struck and the early response makes it evident that the injunction on the cartons that they should not be opened until Christmas will be regarded generally as one of those orders which go right over a service man's head, and that, of course, is exact-

Artists to Exhibit At Quince Tree House

A group of prominent Main Line artists will exhibit their work at Quince Tree House, Montgomery Pike, Ardmore, throughout the winter.

The series of exhibitions began last Saturday with an exhibition of oil and pastel paintings by Elizabeth Campbell Perry, which will continue through this month.

Mrs. John H. Gunter, of Wynnewood, art chairman of the Bala-Cynwyd's Woman's Club, will display her work during the month of January.

Bond Sales Jump As Narberth Marks First War Anniversary

War bond sales took a tremendous upswing in Narberth during the first eight days of December, according to the two agencies which handle the bulk of the sales in the Borough.

At the Narberth bank, sales during the first week in December were more than five times what they were during the entire month of November, according to Carl B. Metzger.

Joseph L. Kelley, Narberth postmaster, reports that compared to total sales of bonds and stamps in the amount of \$3500 during November, 242 bonds totalling \$12,787.50 and stamps totalling \$1800 were sold between December 1 and 8 at the post-office. Of this amount, \$7800 worth were sold on December 7, Pearl Harbor Day.

Abandon Plans for Enlistment Unit

Narberth Legionnaires Were Planning One Before President's Order

The order of President Roosevelt preventing further enlistments in the armed forces has invalidated a plan of the Harold D. Speakman Post, American Legion, Narberth, to set up a Naval Recruiting Service in the Community Building where the Legion has its assembly room.

Those backing the plan said they would await further instructions from the U. S. Navy authorities.

The Legion committee, headed by Frank Challenger, was planning to open the Legion Room on Tuesdays and Fridays from 7 P. M. to 9 P. M.

Legionnaires, qualified to answer questions relating to enlistments, were planning to be present on these nights. Members of the Legion Naval Enlistment Committee were preparing to answer such questions as—"What are my chances of getting a good job in the Navy?" and "What are the seven branches of service for enlisted men in the Navy?"

Other members of the committee are Charles G. R. Becker, Arthur L. Cooke, Edward O. Ensinger, Frank R. Foltz, John A. Mowrer, Jr., L. H. Pearson, R. C. Rollins and Henry G. Sparks.

Plans Complete for Community Carol Sing On Christmas Eve at Station Circle

Despite dim-outs and priorities, Narberth will have a gala Christmas celebration on Christmas Eve.

Sponsored by the Narberth Business Council and arranged by Mrs. Eberhardt Mueller, a grand community sing will be held in front of a gaily decorated—if unlighted—Christmas tree at Station Circle. The sing will start at 7:45 P. M.

Song sheets, containing the words of the most popular carols will be distributed, and each person will be given a candle.

The singing will be led by Bruce A. Carey, 6 Cleveland av., Narberth, head of the department of music at Girard College and formerly leader of the Bach Choir at Bethlehem.

A portable organ will be set up at the Circle by Mr. Carey, and the singing will be accompanied by organ music. A trumpeter will also assist.

Christmas Box Committee Works Overtime to Keep Up With Servicemen's Transfer

Further evidence that Uncle Sam is keeping his lads very much on the move is provided by the numerous changes in locations which are being reported to those in charge of the plan to send a Christmas box to every Narberth member of the fighting forces.

As a result of the "last-call" notice in OUR TOWN, the Chairman of the List Committee (Narberth 26-89) was occupied for four straight hours responding to the phones of relatives of absent kin who had been shifted to better assure victory for the country's cause.

Since then there have been other calls daily, and the Committee stresses the fact that its chief concern is to do the job thoroughly well and that it will happily accept any amount of extra detail in order that no man with the colors from Narberth will be disappointed in receiving the Christmas package which will help convey the warm solicitude of those on the home front.

If the change in address comes after the box has been forwarded, the Committee will write a special letter to the postmaster of the camp to which it has been forwarded and advise the new location, urging that the transfer shall be made in the quickest order practicable.

Already two consignments have been forwarded to domestic camps, one on Saturday of last week and one on Tuesday of this week. This Friday night another quota is being made ready, with the final shipment

Workers Mobilize in War Chest Drive

Main Line District No. 1 Had Preliminary Meeting Sunday

Mobilizing for the United War Chest Campaign which opens on January 24, Main Line District No. 1 lined up 150 strong for preliminary instructions last Sunday at the home of Merion district director Mrs. Henry S. Drinker, 249 Merion rd., Merion.

The volunteer workers were addressed by Dr. Harold Scott, vice-president of the Pennsylvania Company, who presented the United War Chest story. Douglas Smith, staff executive, instructed the workers for the campaign in their responsibilities and duties in connection with the raising of a fund of \$7,300,000.

Main Line District No. 1 is a branch of District "A" of which John B. Thayer of Haverford is chairman. Main Line District No. 1, J. Randall Williams, Wynnewood, chairman, includes Narberth, Merion, Ardmore, Overbrook, Wynnewood, and Penn Valley.

Mrs. Drinker will have Charles Clark and Mrs. Hugh Robertson as associate chairmen, while Mrs. S. P. Hutchinson will act as secretary.

In Ardmore, the appointment of district director has not yet been confirmed, but the associate directors include David H. Fleet, Robert Page Jr., Robert F. Wood, and W. Milton Ulmer. Mulieres Board Meets

The Mulleres, Women's Auxiliary of the Narberth Fire Company, held a meeting of the board of directors and the executive board Wednesday morning in the Fire Hall.

Lower Merion High Five Opens At Merchantville

Bill Anderson, basketball's master technician, is about ready to unveil his 1943 Lower Merion High School quintet.

He's going to put his rebuilt team through its first test Friday night against Merchantville High School on the latter's court near Camden, N. J. Then he'll send the Maroon through its paces for the benefit of the home folks against Coatesville at Downs gym here next Tuesday evening.

The only other game before the holidays will be with Chester on the latter's court, Friday, December 18.

"We only look like an ordinary team right now," said Anderson yesterday, trying his best to maintain his role of pessimist. "We got off to a slow start. Most of our players were in football or something

else that prevented them from participating in early drills. Sickness and injuries have also slowed our practices. I don't expect much in these early games."

There are six lettermen back from last year's squad which captured the state PIAA championship for the second straight year, yet Anderson insists it will be impossible to make up for the loss of such stars as Harry Middleton and Allen Eakins, who were graduated, and Joe DeFelice, who is ineligible for further athletic competition on account of age.

Captain Greer Heindel, starting his third year at center on the varsity, and big, blond Don Evans, forward, are the returning regulars and the nucleus of the new team. Art Campbell will probably team up with Evans at forward, and Phil Harman

Business Council Re-elects W. G. Case

1943 Plans Discussed at Annual Meeting; Dinner Set for Jan. 12

Walter G. Case was unanimously re-elected president of the Narberth Business Council at its annual meeting Tuesday night at the Arcadia Restaurant.

Other officers re-elected were Frederic A. Egmore, vice president, and Harry H. Hollar, treasurer. Nancy S. Seely, of Our Town, was elected secretary.

Preceding the business meeting, Mrs. Constance P. Wetherald, of Narberth, and J. Randall Williams, of Wynnewood, United War Chest campaign workers, spoke on the 1943 drive which will open January 24 and urged the Council's support. They announced that J. Paul Shea would be in charge of soliciting contributions from business houses in Narberth.

The Rev. Carl Hammerly, pastor of the Narberth Methodist Church, announced the opening of a Week-day School of Christian Education in January at the Narberth Public School. It will be held, he said, after school hours on Wednesday afternoons and will be entirely non-sectarian.

Opening the Council's regular session, Mrs. Eberhardt Mueller announced the completion of plans for Narberth's community Christmas carol-singing service, to be held Christmas Eve at the Station Circle.

The community sing is being sponsored by the Narberth Business Council. For many years a service of this kind was an annual feature of the Borough's Christmas, but in recent years the plan has been discontinued. It was felt that this wartime Christmas was a particularly appropriate time to revive the custom.

The Council members present participated in a valuable round table discussion of business problems raised by wartime restrictions, and numerous worthwhile suggestions were made for increasing the Council's scope of usefulness to the merchants and businessmen of Narberth during the coming year.

The new year will open with a dinner meeting on January 12, at 7 p.m., when a full attendance is expected.

Carload of Tins Leaves Ardmore

Collection Averages 15 Cans to a Family

The first carload of tin cans, collected by Lower Merion school children, left Ardmore for the detinning plant on November 28.

In the carload were 143,100 tin cans, weighing 35,600 pounds or 15.9 tons.

Most of the cans were collected by the school children of Lower Merion and the remainder salvaged from the usual ash and trash collections where the tins were prepared correctly and placed in separate containers for collection.

These figures indicate that an average of 14 or 15 cans per family were collected by the children in their efforts. Typical of the determination of the boys and girls to do a good job of tin can collecting was the experience of one child of ten, who alone, collected 180 cans in an afternoon, took them home, cleaned and prepared them in the proper manner.

The tin can collection will continue and citizens are asked to see that tin cans are prepared according to directions and placed in separate containers for collection with trash and ash collections. They will then be brought to the Township garage and stored until sent out to the detinning plant.

Ralph Springer, chairman of the Lower Merion Salvage Committee, requests that very careful consideration be given the orders of the War Production Board which makes mandatory the collection of prepared tin cans.

3 Citizens Observe Same Birthdays

Three Bala-Cynwyd citizens, all active for nearly half a century in Lower Merion affairs, celebrated their birthdays on Tuesday, December 8.

They are Barney Fischer, George M. Painter and T. Williams Roberts.

All of them have been active in Republican circles, amateur theatricals, tennis tournaments, journalistic enterprises, golfing clubs, associations for the detection of horse thieves, service groups, as parking commissioners and in playground movements.

GIRL SCOUTS

Brownie Troop 63
Has Christmas Party

Cynwyd's new Girl Scout Brownie Pack which has been meeting at St. John's Church house under the leadership of Mrs. Francis S. Philbrick, assisted by Mrs. H. A. Konzer, is having a Christmas party for mothers and friends this Thursday.

The Brownies gathered immediately after school, working in efficient committees to get everything ready for the guests.

The guests arrived at 4 o'clock and witnessed the flag ceremony which opened the meeting. Carolyn Davies carried the flag, with Sara Berry Hamilton acting as color guard. The group gave the pledge of allegiance to the flag, then sang the National Anthem. They then repeated the Brownie promise in unison.

The fun began with a country dance performed by the whole troop. Barbara Wynn read a Christmas poem.

Next came the play, announced by Diane Dearoff, "The Christ Child's Birthday." The cast included: Mildred Mascaro, Nancy Merrick, Nancy Boff, Ruth Irwin, Barbara Hanscom, Nancy Ann Appleby, Carolyn Davies, Sara Berry Hamilton, Paula Holmes, Ann Hundley, Barbara Kline, Eleanor Konzer, Jane Taylor, Joyce Webster.

Following the play, Eleanor Konzer at the piano accompanied the girls as they sang "Silent Night" and "O, Little Town of Bethlehem."

The Brownies had a surprise for their mothers—a gift of a set of coasters made at Brownie meetings from rolling New Year's streamers in clever fashion. There was a surprise for Mrs. Philbrick, too. As a token of their appreciation, and because she is going to leave them, the Brownies gave their leader a gift.

Refreshments of tea, sandwiches, cookies and candy provided from the treasury of the troop, were served by the Brownies.

In closing, the Brownies joined hands in a circle for the Brownie Squeeze and then sang taps.

New Regulations For Air Raids

Poster Prepared by Defense Council Explains Changes

New State regulations covering blackouts and air raids are explained in a poster which was prepared by the Lower Merion Defense Council and is now ready for distribution.

Defense council authorities this week asked residents of the Township to note the distinction between an air raid alarm or a drill and a blackout or practice blackout.

They point out that any violation of these regulations may endanger lives. Also, that such violations are subject to strict penalties.

The State Council of Defense will shortly issue regulations governing "dim-outs." The suggested dimout or partial dimout will be effective every night beginning December 21, starting a half hour after sundown and ending a half hour before sunrise.

A printed statement, addressed "To Every Resident of Lower Merion Township," accompanies the new posters prepared by the Council of Defense. This calls urgent attention to the fact that the efforts of the members of the Civilian Defense Corps, and the expenditure of funds for equipment to protect residents of the Township in case of raids cannot function effectively unless all of the residents give their full cooperation.

Although, since the creation of the Council of Defense in July of 1941, 3,978 persons have enlisted their services, there is urgent need of the following types of volunteers: Doctors, nurses, nurses aides, air raid wardens, auxiliary firemen, auxiliary policemen and fire watchers.

The bride, who was given in marriage by her father, wore an ivory satin gown, trimmed with a collar and cuffs of duchess lace, belonging to her great grandmother. She carried white roses and gardenias.

Mrs. John Macadam Grimsey was matron of honor for her sister. She wore delphinium blue brocade with a matching velvet bonnet.

The bridesmaids were Miss Margaret Jeannette Holt, and Miss Laura Frances Holt, sisters of the bride; Miss Hannah Dick Macfarlan and Mrs. James Ragsdale Powton. They wore cherry blossom pink brocade, with matching velvet bonnets.

Miss Katharine Suzanne Holt, another sister of the bride, was flower girl, and wore yellow brocade.

Lieutenant Thomas R. Brunat, of Boston, was the best man, and the ushers were Captains James R. Howton, Ray Hoff and George Oimstead; Lieutenants Allen D. Porter, and William F. Edinger, all of Camp Lee, where Lieutenant Snapp is stationed.

and Dick Whiting loom as the likely starters at guard.

Campbell, a slim, rangy youth who captained the soccer team this fall, showed promise in a reserve role last year and is expected to be one of L.M. main point getters. To date his development has been retarded by an injured finger. Harman and Whiting also have considerable experience, but the former saw most of his action at forward instead of guard last year.

Vernon Young, the other letterman, hurt his knee in the final football game with Radnor and won't be ready for action for another week or more.

Phil Hawkins and Hank Belber, up from the jayvees, have shown the most ability of the new faces on the squad. The former has an excellent eye and is rated an excellent chance of being a starter should one of the lettermen fail to live up to expectations.

Don (Peanuts) Palmer, Hen Peacock, Warren Aldred and Jack Richards, all former jayvees, are the others on the squad. Ralph Viguers, skinny 6-foot brother of Chuck, Penn captain, was out for several practices but has been on the sidelines with a foot ailment.

Anderson sent the squad through a tune up scrimmage with North Catholic High School on Tuesday. Previously the Maroon scrimmaged with St. Joseph's, West Philadelphia, Overbrook and Northeast High Schools.

Merchantville is figured to be a stern test as the Jersey school is reported to have three regulars and two subs back from last year's quintet which held L.M. to a 39-33 score. The Merchants were noosed out by a strong Brown Prep team in their opening game.

Lower Merion starts the defense of its Suburban Section One League championship against Haverford High at Downs gym on January 8.

CALLING THE TURN

An open letter to all Main Line athletes and sports fans now in the armed forces.

Dear fellows:

With the odds and ends of football season just about cleaned up we're starting to look forward to an interesting basketball campaign. Haverford School kinda got us off on the wrong foot by dropping a 37-29 decision to Overbrook High, but this wasn't too bad when you consider that Overbrook is supposed to have one of the top clubs in the Public League this year.

By the way, Ollie Robinson, an assistant football coach at Lower Merion, is coaching Haverford School in basketball. A star in his youth at Washington College, he previously coached at Chester and Berwyn and several Jersey schools. He also was a ranking star in independent ranks. He played most his basketball in the Chester area but saw some action in the Main Line League with the Haverford Aces shortly before he retired.

Speaking of the Main Line League, add it to the list of war casualties. Charley Harnden, of Norwirth, who's been president of the loop for the past five years, has announced the league's suspension for the duration. Three newly organized teams from Wayne, Ardmore and Upper Darby inquired about franchises but none of last year's eight clubs showed any signs of wanting to operate. Scarcity of players, tire and gas rationing and headless gyms made a combined headache that no one wanted to acquire.

We're filled with pity for our mutual friend, poor Bill Anderson at Lower Merion. The armed services have taken most of his prominent brain trusters, including Stan Thomas and Merritt Lentz, and his man Friday, Jim Davis, guardian of the stopwatch. Andy hasn't given up hope entirely because Ray Stanley and Doc Barr are still around.

Of course, things look pretty terrible as far as the team is concerned. There are only six lettermen available, most of them aren't in very good shape, they haven't any brains, etc. But Andy'll get along somehow.

Andy takes his boys over to Merchantville, N. J., for their opening game Friday night. The Merchants gave the Maroon lots of trouble last year and should be plenty tough on their own court. Andy to the contrary, this year's L. M. team is starting with better prospects than ever and yet for that reason we believe Andy has a real reason to be worried for a change. Look back and you will find that the L. M. teams that reached the greatest heights were those that weren't supposed to. The Maroon teams that were favored to clean up never quite completed the job. Most everyone hereabouts is picking them to win the state championship for the third straight year, but we're going to reserve judgment for a few games. We're actually leary of this Merchantville club, but maybe that's the Anderson influence working on us.

Don't be surprised if Haverford High is L. M.'s main rival in the Section One League. Now that Bob Hartman is in the Navy, Steve Juenger will be on his own as coach and we expect a noticeable setup in Haverford's play. Juenger was a college and pro star and definitely knows what it is all about. He prepared for his present job by attending the Stroudsburg State Teachers College coaching school last summer. He has four regulars to work with and a fairly nice looking squad otherwise. From last place to a contender is quite a jump, but we believe it is possible for the Fords to make it.

Hughie Wynn is back coaching. Surely you remember the little chap who starred on Lower Merion's 1931 basketball team that was runner-up

in the state tournament. Later he went to Notre Dame and Alabama and he coached a few seasons at Abbeyville (Ala.) High. . . He had been working at the Autocar Co. but quit to succeed Jack Hinchey, another ex-L. M. star, as basketball coach at Ridley Township. . . Hinchey, who turned out championship fives at West Conshohocken and Glen-Nor, enters the Army Saturday.

That's about all the news of the moment. You'll be hearing more from us from time to time. Keep up the good work where ever you may be.

Strawbridge & Clothier Christmas Pageant Opened On Tuesday

Strawbridge & Clothier's annual Christmas Pageant was given its first public performance on Tuesday, in the Philadelphia store's Exhibition Salon, on the eighth floor. It is being repeated each day during the week at 5 p.m.

This year's production is built around carols of the United Nations, portraying the manner in which the Nativity is celebrated in several European countries and some of the Americas. Selections from the cantata, "Saints and Seraphs", and the Christmas Recessional "Rex Gloriae" also are included.

The cast consists of 40 members of the store family, with Herman A. Weise, tenor, as Prophet, and the store's chorus of 80. Other soloists include Carolyn Thomas, soprano; Veronica Sweigart, alto; Ednyfed Lewis, tenor; and Frederic George, baritone. Herbert J. Tilly is the director; Isaac H. Clothier, Jr., the reader and William S. Thunder, the organist.

Colleges Join in Christmas Concert

The fourth annual program of Christmas Music by the combined choirs of Bryn Mawr College and Haverford College will be given December 13, at 7:45 p. m. in Goodhart Hall, Bryn Mawr College and December 14, at 7:45 p. m. in Roberts Hall, Haverford College. The choirs will be assisted by an orchestra of some twenty-eight players from the two Colleges.

The program will also include Christmas carols to be sung by the congregation and carols by Geoffrey Shaw, Vaughan Williams, Gustav Holst and Ernest Willoughby by the joint choirs.

Lesson - Sermon

"God the Preserver of Man" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 13. The Golden Text is, "In God is my salvation and my glory: the rock of my strength, and my refuge, is in God" (Psalms 62: 7).

WAR PLANNING FOR THE HOUSEWIFE

Low Cost Egg Dishes to Supplement Meats

Remember that a good egg when you buy it, will not remain a good egg unless it is treated right — keep eggs cool — and away from onions and other highly scented foods, because they absorb odors and flavors very easily.

When you have good eggs, cook them properly, make them do their best for you, always.

Baked Eggs with Cheese

Break the desired number of eggs into a hot, well greased shallow pan, add butter or other fat, sprinkle with salt and pepper and pour enough milk over them just to cover. Cover with a mixture of soft bread crumbs and grated cheese. Bake in a moderate oven till eggs are set and the crumbs a nice brown.

Scrambled Eggs with Tomatoes

Cook 2 cups of tomato pulp, fresh or canned till somewhat dry, (about ten minutes) in 2 tablespoons fat. Then add 8 eggs beaten just enough to break the yolks, cook over low heat and stir constantly until the eggs are set. Season to taste with salt and pepper and add, if desired, a teaspoonful finely chopped parsley.

Egg and Cheese Fondue

Beat six eggs thoroughly. Mix together 2 cups soft bread crumbs, 2 cups hot milk, 1 cup cheese sliced very thin, 1 tablespoon melted fat, salt to taste. Stir this mixture into the beaten eggs, pour into a shallow pan which has been well greased. Bake in a moderate (350 F.) oven for about 25 minutes or until lightly brown and firm. Serve at once.

Egg Spoon Bread

Mix together 1 cup cornmeal and 1½ teaspoons salt, blend with 1 cup cold water, and add 2 cups hot milk. Cook over low heat, stirring constantly till thick. Beat well, 2 or 3 eggs, and gradually add the cornmeal mixture to them — if desired the yolks and whites of the eggs may be beaten separately, in this case, fold in the whites last. Pour into a well greased hot baking dish and bake 45 to 50 minutes in a moderately hot (375 to 400 F.) oven. Serve from the baking dish.

For variety add 1 pound of cheese cut in very small pieces — or drop in small pieces of crisply fried bacon.

Please Mail Early

Postal authorities urge that all Christmas cards and parcel post packages, even those destined for nearby sections, be mailed at least 10 days before Christmas.

Juniors To Hear Maroia Baily At Dec. 17 Meeting

Club Will Provide for Complete Christmas For One Family

Maroia Baily will give a dramatic retelling of "Family Portrait," the story of the Holy Family, at the December 17 meeting of the Narberth Juniors at 8 15 p. m. in the Community Building.

The book club, Mrs. John Eidenberg, chairman, will sponsor the meeting. Miss Margaret Robertson is in charge of music; Mrs. Herman Sturm, of refreshments; and Mrs. Eidenberg and Mrs. Harry Watts, house committee chairman of decorations.

Instead of the usual Christmas gifts exchanged among members, each one will bring a small gift for a child to be given to the Salvation Army. In this way the club will take care of over 50 children.

For patriotic reasons the Juniors will have no Christmas tree, an other departure from the usual holiday procedure.

Members will bring canned goods to the meeting to be turned over to the Narberth Emergency Relief to be used in filling baskets for the underprivileged. The Juniors will meet with the Emergency Relief to help pack the baskets. Mrs. Sterling Chain is chairman of the committee.

The club has taken entire charge of one family chosen by the Emergency Relief. To cover the expenses for clothing, food and toys, the fellowship committee, under the chairmanship of Mrs. Robert Sigel, has planned a fashion show to be held March 18.

Husband Is Prisoner In Philippines, Wife Hears

Major McLaughlin served in the last war and since then had been associated with SKF Industries in Philadelphia as a mechanical engineer. A reserve officer in the U. S. Army, he was called to active duty in April, 1941, and after a few months at Fort Benning, Ga., went to the Philippines.

Major and Mrs. McLaughlin formerly lived in Alden, Delaware County.

• HIGH NOTES •

by
DAVID MALICKSON
Class of 1945 — Lower Merion High School

Santa will soon be here, in his bundle this year he will bring the students and alumni of L.M. one of the biggest and best dances, namely the Christmas Dance, which will be held at the Overbrook Country Club on Saturday night, December 26. The student council members who sponsor the dance, have voted that the affair be formal. The price of tickets will be \$1.65 a couple, \$3.00 for a service man and his date, and as usual servicemen who come stay will be admitted free.

The orchestra committee chose "The Melodies to play for this gala occasion.

Concerning other dances which were scheduled to be held in the Winter, Mr. Dubois has said that the students may use the Down's Gym if no property is destroyed and the weather not too cold. Another ray of hope about this subject of dances is that L.M. dances may be held in a school heated by coal, this would probably suggest the Bryn Mawr School.

The Girls' Swim Team for the current season has been decided and the lucky girls are: J. Austin, H. Best, D. Biddle, M. Bowen, C. Chandler, D. Danenhower, D. Dawson, R. Donnelly, M. Eckerson, E. Elmo, B. Goglin, D. Gragan, G. Harris, R. James, B. Knapp, P. Kraus, K. Lacy, S. Lawson, B. Lees, P. Selman, M. Lessig, G. Mahon, J. McCurdy, B. Mehl, G. Murphy, E. Patton, S. Raw, B. Ross, D. Shafer, J. Smith, S. Squir, P. Thompson, F. Watrous, J. Whiting, A. Wilkinson. Practice for the team will be at least twice a week.

The Red Cross drive at L.M. proved to be the most profitable in the past five years. The total amount of money collected was \$170.37. Room 116, whose sponsor was Doris Press, placed first followed by Rooms A103 and 163.

The students of L.M. have undertaken the task of raising enough money by selling War Savings Stamps, to buy one rubber life raft, Charles McCarthy and Florence Kaiser, sponsors, believe that the goal of \$187.50, the cost of one such raft, can be reached by January 15. War Stamp Albums have been given to each student and it is hoped that the student will buy at least \$2.50 worth of War Stamps.

A poster contest will be part of the campaigning to remind the students to buy Stamps. A first prize of \$2.00 worth of War Stamps will be given to the student who draws the best poster.

To help take some of the pressure off of the public post-offices during Christmas time this year it has been suggested that students wishing to send Christmas cards to fellow classmates do it through the "school post office." This postoffice will be open from Monday to Thursday of the coming week. The receiver's name and room number should be plainly printed on the envelope and deposited in the letter box in the school office.

It has been suggested that instead of the usual postage stamp, the students use Tuberculosis Christmas Seals.

Some of the children from the Christ Home in Philadelphia will be guests at the L.M. Christmas parties. Besides enjoying delicious refreshments the Christ Home Children will receive a scarf and another present.

Students are urged to bring to school various articles which will be donated to the Christ Home. The schedule is as follows: Monday — potatoes; Tuesday — clothing; Wednesday — canned foods; Thursday — toys. (All these days are for the coming week).

First Word Comes
(Continued from Page One)
I can't recall knowing Bob Squier, but he did a wonderful job on the letter I received with the package. I hope he keeps up the good work and that also goes for the rest of you "Narberthites." So keep them flying and buying!

May you all have a Merry Christmas and a Happy New Year, and again many, many thanks for the wonderful gift.

Gratefully yours,
Peter A. Claffey.

Peter's brother, Michael, is also in the service, some place in the Pacific, and that warrants a real accolade to their parents, long-time residents Mr. and Mrs. Michael Claffey, who have earned the right to be proud of what their excellent sons are doing for the Country's cause.

The second note is of the same tenor:

I received your lovely box and sure was glad to get it. It makes one happy to live in a town like Narberth. I am proud to be one of Uncle Sam's boys. Thanks loads for everything.

Robert W. Young F 1 e

Bob is with the Fleet and, like Peter Claffey, he also has a brother in the fray, Charlie Young, who is getting ready for big things in a Western training center. The Young family is well known in Narberth, and the two sons with the Colors have established themselves as being of the right kind of stuff for the big job that must be done.

A copy of this issue of OUR TOWN will go to the two service men whose letters are now printed to let them know their cheerful messages passed the censor and that the Borough was happy to hear from them.

A thoughtful Mother says:
"I am giving my children MORE RICH GOLDEN GUERNSEY MILK, now that meat is so high and rice so plentiful."
